

Colouring Book

Your Task:

Using Microsoft Publisher is to create a 25 page Colouring book.

Steps:

- Pick a topic
- Use Google to search for line drawings of your topic and save it to a folder. Make sure the images are in black and white and have space for you to colour.
- Open Microsoft Publisher and create a 26 page document that is 8.5" x 11" (1 cover page and 25 inside pages)
- The first page is your cover. You may want to design it in Photoshop.
- Place 1 image that you downloaded on each page.
- Write some text on each page.
- Print it
- Bind it with glue or spiral binding.
- Colour it
