

Camera Hunt

You have been instructed to buy a digital camera for the school. You have \$900 to spend including tax. (13%) The camera must be bought in Canada using Canadian Funds. Using the “What to Look for in a Digital Camera”, fill in the chart below.

You must pick at least 4 cameras that you think are a good deal and enter the information below:

	Camera 1	Camera 2	Camera 3	Camera 4
Brand Model				
Resolution How many Mega Pixels? Maximum Print Size?				
LCD Screen What size?				
Memory and Storage How much and what Kind				
Zoom Optical and digital				
Batteries What kind? How long will they last?				
Accessories What else is included besides the camera?				
Price?				
Price with Tax?				

Here are some sites to help you out. You are not limited to these sites.

www.henrys.com

www.futureshop.ca

www.sonystyle.ca

www.megapixel.net

<http://www.japancamera.com>

<http://www.blacksphotography.com>

You may not find all the information you need on one site so use many websites to check for information on the same camera.

What Camera did you choose?

Brand and model: _____

What made this camera stand out from the others?
