

# Polar Panoramic Assignment

Create 2 Individual Panoramic Shots, 1 will be a 360 degree Panoramic shot, and one will be a 360 degree Polar-Panoramic. The key is to be seamless, you should not see where the panoramic starts and stops. Have fun, and be creative!

## Panoramic Shots

Instructions	File Name	Shutter Speed	Aperture	ISO	Mark					
Take 1 new, 360 Panoramic Shot using manual settings. Fill in chart.	360PS1_yourname				Task Completed	3	2	1	0	Total
					Evenly blended edges
